

FACULTY/STAFF APPLICATION FOR GLOBAL ENGAGEMENT Mini Grant (2019-20)

Description of awards: Edmonds Community College offers mini-grants of up to \$300 to faculty/staff to be used for international projects that will contribute to increasing student's personal and academic experience with international or intercultural issues, communities or people.

Examples include participation in off or on-campus events and activities such as preparation time to organize class and cultural exchange between currently enrolled students, or with classrooms abroad via internet/Skype connections. Another could be taking a class to a speaking engagement that will enrich your curriculum. Other ideas for projects that enhance our student's understanding of the world through a personal engagement with other cultures are welcome.
