***The college may, at any time, require you to have a Maximum Exclusion allowance (MEA) calculation before making any tax deferral. Your college retirement representative can tell you where you can get an MEA calculation. If you have tax deferrals in addition to those available through the college, they must be included in calculating your MEA. Voluntary tax deferrals cannot exceed your MEA and the college retains the right to refuse to make tax deferrals that exceed IRS limits. You may incur penalties under IRS rules for tax deferrals that exceed your MEA.**
