### What is the Direct Transfer Agreement (DTA)?

- The AA degree is our Direct Transfer Agreement (DTA) with in-state universities, which gives qualifying students priority admission into most universities in Washington state.
- The DTA will satisfy most (if not all) General Education Requirements at in-state universities (some may have additional requirements), and most universities will count courses the same way we do.
- To qualify, students must have the AA degree, be a Washington state resident, and meet the minimum GPA for their chosen university.
